

28 May 2020

To the heads of each department, etc.,

Director HASEGAWA Ko  
Institute for the Advancement of Higher Education  
(Official Seal Omitted)

Regarding the *Hokkaido University on Coursera Service*  
Provided by Coursera a Massive Open Online Course (Information Sharing)

In cooperation with the Institute for International Collaboration, the Coursera Campus Response Initiative to the novel coronavirus infections (COVID-19) by Coursera a Massive Open Online Course from the USA has been available for Hokkaido University members at free of charge for a limited period as the following. The Institute for the Advancement of Higher Education would like to request you to spread this information to all students, faculties and staff members of your department, etc.

This initiative was announced by Coursera that they provide every higher educational institution impacted by COVID-19 with free access to their courses for a limited time, and this shall be an assistance for everyone to keep having international learning and self-improvement opportunities under the current circumstances. Upon your registration with the courses, please kindly refer to the attached overview and Coursera Learner Guide.
